

REGULAR FINANCIAL GIVING

Monthly donations help reduce administrative costs and provide a continuous and reliable source of funding to support the needs of survivors accessing unseen(uk)'s services. Fill in the Giving Form on the back of this sheet and send it to unseen(uk). Alternatively you can download a copy of the form from the website. Don't forget to fill in the Gift Aid section if you are a UK Taxpayer.

ONE OFF DONATIONS

Below are some examples of what a one off donation could be used towards:

£10 Telephone calling card

Women are usually many, many miles away from family and friends and have not been able to talk to them whilst they have been trapped by their traffickers. All they want to do is let their families know they are still alive.

With a £10 calling card you will provide a woman the ability to make that all important call home.

£250 Essential clothing

When women escape or are rescued from sexual slavery they often leave with nothing except the clothes they are in.

By donating £250 you can provide a woman with a basic start up clothing pack, providing some of the basic essential items she will need.

£500 Safety, shelter and warmth

Trafficked women are often made to live in the most appalling of conditions, they have no control over their environment, and have no comforts. They live in constant fear and have lost hope of ever escaping to

reach safety, they are beaten if they refuse to work as prostitutes and some have even been killed.

By donating £500 you will secure a place of safety and contribute to the support a survivor receives.

£1000 Complete package

£1000 is a significant contribution towards providing a woman with the initial support she needs to begin the journey to make informed choices about her future from a place of safety and support.
