COMMUNITY FUNDRAISING TO END MODERN SLAVERY

# what is modern slavery?

Modern slavery is the act of exploiting another person for personal or commercial gain. It can take many forms, from forced labour to criminal exploitation. Around the globe, there are an estimated 50 million men, women and children stuck in modern slavery.

**With your support,  
we can work together  
to end slavery for good.**

# you can make a difference

**We rely on the strength of our community to support those affected by this crime. Our network of faith, student, social, and community groups raise vital funds to support our work.**

*"Bath Abbey is delighted to partner with Unseen as part of our work to address the historic legacy of the trans-Atlantic slave trade. With the help of Unseen, we are able to mobilise the Abbey community (and those who visit the Abbey), to become more aware of modern slavery and to support their work of advocacy and practical help for survivors".*

**Reverend Stephen Girling, Bath Abbey Missioner**

The vital funds our network raises enable us to keep providing survivors with specialised, trauma-informed care. By joining this network, you can make a meaningful difference to the lives of those we work with.
